

HANGING BASKET SCHEME 2019

It's that time of year when we start thinking about brightening up the town for the coming season. In 2018 Llandudno won a Gold award in the RHS Wales in Bloom Competition and a Silver Gilt award in the Communities in Bloom International Challenge. This success was due to businesses, community groups, schools and individuals working together for the benefit of the town. We want to build on this in 2019 and one way you can become involved is to join the Town Council's Hanging Basket Scheme.

The mixed colour, pre-planted baskets are delivered to your doorstep, ready to hang, and will create a blaze of colour for your premises.

We have available the **'Bryn Euryrn' 16" Solid basket supplied fully planted at £17.04 (including £2.84 VAT)**

Please note that as watering is not included you would need to arrange to water the baskets yourself. **The baskets will be collected by the supplier at the end of the season.**

If you are interested in the scheme and would like to purchase, please return the completed order form with full payment (cheques payable to **Llandudno Town Council**) by **Friday 15th March 2019**. Baskets are expected to be delivered late May/early June and we will notify you of the exact date.

Please note the Town Council is committed to compliance with Data Protection legislation. The Town Council takes the care of personal data very seriously and is committed to take all steps necessary to keep it safe, secure, up to date and to collect no more than is necessary for the function we have collected it for. We will use your personal information only in connection with the services we provide. Please visit the Town Council website for further information or request the following copies from the office:
